

Philanthropies Gift Planning Council

..... 

Philanthropies Gift Planning Services created the Gift Planning Council to foster relationships with financial and estate planning professionals, to facilitate donor-inclined giving, and to support professional development in philanthropic planning.

Mission

- Help advisers recognize charitable-planning opportunities.
- Educate advisers about philanthropic planning and the charitable priorities of the Church.
- Invite advisers to encourage their clients to engage with Philanthropies if the clients are inclined to include the Church's charitable priorities in their planning.

Gift Planning Services

- Charitable-planning consultation
- Client philanthropic-experience enhancement
- Charitable-gift illustrations
- Technical research
- Document drafting
- Gift Planning Council Conference
